### PREMIUM FOGRA APPROVED WASH

#### Application

Automatic roller and blanket wash. Suitable for all medium to large sheetfed and web offset presses. Recycling and filtering capabilities.

#### Benefits

Fully FOGRA and OEM approved wash. Aromatic free formulation for high level of safety. Top of the range with intensifiers and corrosion inhibitors.

#### Instructions

Add to any press automatic roller or blanket wash unit. Can also be used successfully manually for hand blanket washing and general cleaning. Maximum effectiveness and is obtained by mixing with water

up to 50% to activate emulsifiers (or higher for maximum economy). Inbuilt rubber conditioners maintain rubber suppleness and reduce durometer creep.
