+ **Environmental Credentials Statement** Quatro Gloss & Silk is produced in EMAS accredited facilities, which is considered to be the superior environmental standard available, as well as having ISO 9001 and ISO 14001 accreditation. The majority of the pulp is sourced from PEFC CoC certified wood and the balance from well managed plantation forests. EMAS is the “European Union’s regulated environmental management scheme”, the highest environmental accreditation for a paper mill. PEFC stands for the “Programme for the Endorsement of Forest Certification” Chain of Custody, which is the largest forest certification scheme and controls approximately 250 million hectares of forest/plantations worldwide.
