

Environmental Paper Profile

+ **Product** Onyx Smooth & Embossed
Description 100% recycled and 100% Australian made
Supplier Australian Paper
Site Shoalhaven / Australia
Date 17/05/2010

+ **Fibre Source** **Details** PFC 100% recycled pulp sourced from 40% post consumer and 60% pre consumer waste. Onyx is FSC Recycled certified

Well Managed Forest	<input type="checkbox"/>
Alternative Fibre	<input type="checkbox"/>
Recycled	<input checked="" type="checkbox"/>

+ **Environmental Management Systems** Mill is certified ISO 14001

+ **Bleaching Process**

Elemental Chlorine Free (ECF)	<input type="checkbox"/>	Process Chlorine Free (PCF)	<input checked="" type="checkbox"/>
Totally Chlorine Free (TCF)	<input type="checkbox"/>		

+ **Acid Free** **+Archival**

+ **Environmental Credentials Statement** Onyx is 100% recycled – a combination of 60% pre consumer and 40% post consumer waste with the recycled pulp brightened in a PCF environment. Onyx is produced in an ISO14001 accredited facility and is FSC recycled CoC certified. The light weight grammages up to 250gsm are labelled as “100% recycled” as they contain all recycled fibre. The heavy weights above 250gsm are labelled “Mixed Sources with recycled fibre” as these contain some virgin wood.* The entire Onyx range is endorsed “Carbon Neutral” by the Federal Govt’s Department of Climate Change (DCC) and is supported by the “Green House Friendly” logo scheme. * Due to technical constraints, 300gsm is only 70% recycled. The balance is ECF fibre from certified well managed plantation forests.
